Hi Guys,

Nightstalk3r invited me to this forum. I'm looking forward playing on the CrysisEU servers and getting to know you guys!
See you there soon.

is that game unending? when i join in, there is no time limit, so i was just wondering ...

anyway, i checked again after 2 hours, and it is still on steel mill, i don't think that is intended

Hey,

had a play on the server its nice , good pings etc. :laugh:

been playing steel mill too long though , we need a map rotation set :P I thought there was a limit on kills or something if there was i never reached it.

Oh and invite Axilya to the clan! he is good

U guyz seem to have lots of fun, my problem is that I wasted the 'Crysis money' onto a university weekend trip to an island/party:kiss: ... ermm anywayz expect me in the server be4 december comes hopefully another one of those trips wont come :P

Have fun while it lasts...:woohoo:

Re:Servers are up and running!

Posted by Vairo - 2007/11/22 14:57

The server is Offline while we fix rotation for it !

Updated: Thanks to Cry-Alex and clanwarz support!

Everything works fine now, We see you on the server folks ;)

Thanks for the warm welcome Guys,

Sorry i've been so busy with Crysis SP, and COD4 MP with friends. I'm gonna hop in the CrysisEU server coming week. See you all there, nice to meet you!

Ready for some action!
