Just noticed this is a clan lol.

Im from =TRU=, btw, a closed clan of friends, we will have a crisis open subclan soon though, maybe we can socialize :)

oh and btw, im not european, im from south america also

We have our own website and vent server, IIRC we also have some servers, but for other games :P

our clan is about 1 year old, though its a closed one, so not many knows about it.
