
Battlefield: Bad Company

Posted by satan666 - 2008/02/28 13:22

Tried to put ths in the existing BF:BC Thread but it got an 404error so here is a new one then ;)

A few vids of BF:BC has been released from the GDC over at GameTrailers.
3 gameplay videos and a interview with the Sr.Producer Karl Magnus Troedsson..

Check it out and Enjoy :silly:

Explosive Buildings Gameplay
Same in HD

Riverbank Gameplay
Same in HD

Field of Fury Gameplay
Same in HD

Producer Interview
Same in HD

does anyone know if they will push it as far as PC or no ? There was a time when i was really interested in this project, even bought a domein for it etc, but we just stopped all that stuff since i wasn't sure if they will ever go for PC!

No sign of it coming to PC....yet..

But I think it will be released for PC later on.....most defenitly :silly:
